検索結果ページにて、分野のフィルターが追加されました。

The screenshot displays a search results page on ScienceDirect. On the left, there are three filter panels: 'Article type', 'Publication title', and 'Subject areas'. The 'Subject areas' panel is highlighted with a yellow arrow pointing to it from the left. In the center, there are four search results, each with a checkbox and a 'Full text access' indicator. The first result is 'Virus-Based CRISPR/Cas9 Genome Editing in Plants'. The second is 'Expanding application of CRISPR-Cas9 system in microorganisms'. The third is 'CRISPR/Cas9 genome editing in ergot fungus Claviceps purpurea'. The fourth is 'Genome editing of Francisella tularensis using (CRISPR-Cas9)'. On the right, there is a 'Subject areas' panel with a 'beta' badge. It lists various subject areas with checkboxes. The 'Engineering' and 'Social Sciences' categories are highlighted with a yellow arrow pointing to them from the left. The 'Social Sciences' category is also highlighted with a yellow arrow pointing to it from the left.

ScienceDirectの新規機能 2

タイトルによる検索ページにて、文献の種類にTextbookの項目が追加されました。

The screenshot shows the ScienceDirect search results page for books. The page title is "Showing 324 books". Below the title is a search filter "Filter by journal or book title" and a search icon. A message asks if the user is looking for a specific article or book chapter and suggests using advanced search. On the left, there are filters for "Refine publications by" with "Domain" and "Subdomain" dropdowns, and "Publication type" with checkboxes for Journals, Books, Textbooks (selected and marked as new), Handbooks, Reference works, and Book series. The main content area shows a list of books starting with 'A', including titles like "Aerodynamics for Engineering Students (Sixth Edition)", "Aerodynamics for Engineering Students (Seventh Edition)", "Aircraft Structures for Engineering Students (Fifth Edition)", "Aircraft Structures for Engineering Students (Sixth Edition)", "American Criminal Courts", "Analyzing Social Media Networks with NodeXL (Second Edition)", and "Animal Behavior". A vertical alphabetical index is on the right side of the page.
