Conflict of Interest Policy

Manuscript number (if applicable): Article Title:	Corresponding Author name:

Declarations

Biomedicine & Pharmacotherapy requires that all authors sign a declaration of conflicting interests. If you have nothing to declare in any of these categories, then this should be stated.

Conflict of Interest
Please declare any financial or personal interests that might be potentially viewed to influence the work presented. Interests could include consultancies, honoraria, patent ownership or other. If there are none state 'there are none'.

Please state any competing interests

Funding Source

All sources of funding should be acknowledged, and you should declare any extra funding you have received for academic research of this work. If there are none state 'there are none'.

Please state any sources of funding for your research

Signature (a scanned signature is acceptable, but each author must sign)
