Waive/reduce Fee Request

For consideration, please submit a detailed reason for a fee waiver/reduction below. The ability to pay the fee does not influence decisions regarding the acceptance of a paper; that is solely dependent on the peer-review process. Authors who do not have funds to cover production fees are eligible for complete or partial waivers. By signing the request for a fee waiver/reduction, the author is affirming that there is no institutional support or financial grant available to cover the production fee.

Please provide documentation which supports your request, or clearly indicates that your research/study/grant does not support funds for publication. No waiver request will be granted without such documentation.
