

Proposal for Thematic Issue in journal *Seminars in Cancer Biology*

1. Title of the Thematic Issue

2. Short description of the scope of the Thematic Issue

3. Suggested submission date. *Please* keep in mind that the date should be at least 3 months after invitation.

4. Names of co-Guest Editor plus institution names

(If applicable - Especially recommended if thematic issue includes more than 10 papers)

5. List of potential authors and suggested title/topic of paper (10 to 16). The author list should be a representation of the field and should be a combination of senior and less senior scientists.

6. CV of Guest Editors (optional information)

Please attach CV in a separate file

Please return this form to Ms Carly Middendorp, c.middendorp@elsevier.com

Please note: Each Guest Editor is permitted to contribute a maximum of 2 papers to their special issue, excluding the Editorial.
